Conference on developments in analytical chemistry for metallurgy and industry 2020

This year, for the eighteenth time the conference Polish, Slovak and Czech analysts will be held. The conference is a traditional meeting of representatives from metallurgy, mechanical engineering, coal and chemical industries, industrial and environmental laboratories. The Conference will take place in JASKÓŁKA Hotel located in Ustroń - Zawodzie at the foot of the Czantoria and Równica hills. Accommodation and meals for each participant will be booked there. The hotel is located 20 km from Cieszyn. Car park included in the Conference fee.

The main topics of the conference

- 1) Methods for analysis of raw materials, products and wastes.
- 2) Methods of analysis for production control in metallurgical industry, engineering, mining, energetics and other branches of industry.
- 3) Evaluation of analytical results, quality control and organization in laboratory.
- 4) Certified reference materials.
- 5) Optimisation of instrumental equipment in laboratory, novelties in analytical instrumental techniques.
- 6) Environmental control in industrial regions.

Programme

Papers (20-40 minutes) and short presentations (15 minutes) will be presented by the participants and invited guests. Detailed program is going to be presented in the second circular which will be sent to

all registered participants of the conference before 10th of April.

Framework of the conference

Monday 20.04.

Registration, starting from 10:00 a.m.

At 2 p.m. - opening of the conference, lectures and discussion.

Tuesday 21.04, Wednesday 22.04, Thursday 23.04

Lectures, discussion and instrument manufacturers' presentations

And additionally:

Tuesday –in the evening the banquet is planned

Wednesday – in the afternoon we invite you to the trip to the historic coal mine GUIDO.

Firms

Representatives of the manufacturers of analytical equipment will be available during the conference. Their advertising presentations will be included in the Tuesday and Wednesday conference program. All details regarding advertising presentations should be consulted with organizing committee.

Languages of the conference

Polish, Slovak, Czech and English.

Conference materials

Participants willing to present a lecture are requested to submit the text in MS WORD editor, (12 pt type, singular spacing) before **31th of March 2020** (by e-mail). The volume should not exceed 10 pages and contain the abstract (½ of the page).

Authors of the short presentations are requested for the text not exceeding 2 pages and 10 lines of the abstract.

Conference materials are going to be issued in electronic form only.

Conference fee

	PZL (incl. VAT)	
	double room.	single room
Conference fee	165 EUR	165 EUR
Hotel services (all days)	690 PLN	785 PLN

The conference fee includes the costs of organizing the conference, conference materials, transport during the trip. The fee should be paid by bank transfer in EUR - as specified in the Registration form.

Each participant will pay the costs of accomodation and meals (hotel services) at the reception after his/her arrival. Hotel accepts credit card payments. City fee 3,- zl/day should be paid cash.

Important remark

In the case of resignation, the conference materials will be sent by post, but the conference fee will not be returned.

Registration

Participants from Slovakia should send registration form to VILLA address, from Czech Republic to 2 THETA address, participants from Poland and from other countries - to IMŻ.

Please fill in the registration form with printed letters and sent it together with receipt for payment and VAT number, before **31th of March 2020** at the e-mail address **Marta.Kubiczek@imz.pl** An invoice will be issued after payment of the conference costs and hotel expenses.
